

DUES CHANGE NOTICE

27 March 2007

Dear Parents of High School swimmers:

A change in the coaching structure of the Douglas High School Swim Team (DHS) has come to the attention of the Douglas Dolphins Swim Team (DDST) Board of Directors.

In 2007, DDST members who are also DHS team members are continuing to be coached full-time by DDST coaching staff during the high school season.

For this reason, the DDST Board of Directors has discontinued the discounted monthly dues of \$40 for such swimmers, effective April, 2007. All high school members of DDST will continue to pay regular dues (\$80 Seniors, \$70 Pre Seniors) during the high school season.

Also, please be aware that a DHS swimmer who suspends their DDST membership and dues during the high school season **may not be coached at any time by DDST coaching staff** while such staff are conducting DDST practices or other activities. This is a requirement of DDST's insurance coverage under USA Swimming, and cannot be changed.

Thank you for your cooperation, and please contact the Billing Coordinator, your DDST Coach, or any Board member if you have any questions or concerns.

Sincerely,

Douglas Dolphin Swim Team Board of Directors
